

Focus Rewards is changing...

From September 2018, we will no longer be operating a points system in Focus Rewards.

Feedback from customers tells us they prefer to receive discounts on orders rather than spend and save points for future use the following term.

This means your last vouchers will be sent out to you in September 2018. This will be calculated based on invoices paid during the summer term 2018.

You will have until December 2018 to use these vouchers. After this point, all vouchers will be null and void.

The good news...

From September, we will be sending out monthly offers for being a member of Focus Rewards.

These will be special offers that are only available to Focus Rewards members.
